

White Ø100 drainage fittings and accessories

Sanitary

NEW

Nicoll has expanded its range of drainage fittings with an innovative new range of white Ø100 drainage fittings and accessories:

ADVANTAGES:

- Ideal for surface-mounted drainage pipes
- Suitable for all projects, including housing, public buildings (schools, sports facilities, offices), prefabricated structures, cold stores, etc.
- No need to paint the fittings
- Reliable PVC gluing

White ø100 drainage fittings and accessories

Sanitary

Nicoll offers the widest range of fittings on the market. The latest addition is our range of white Ø100 fittings and accessories. Made from high-quality PVC, this new range of white fittings is easy to install in any circumstances. You can now use white fittings in all of your projects, such as surface-mounted sanitary networks for housing, public buildings (schools, sports facilities, offices), prefabricated structures and even cold stores.
